

“Logistics That Never Stops.”

Brand Statement

At Ashtam Global Logistics, we are committed to delivering excellence through seamless, reliable, and efficient global supply chain solutions. Our promise is to move your world with precision and care, ensuring your cargo never stops.

About Us

Ashtam Global Logistics Pvt. Ltd. is a dynamic startup logistics company committed to delivering reliable, efficient, and customized logistics solutions for complex and high-value cargo. Though young in establishment, our team brings deep industry expertise and operational knowledge across multiple critical sectors. We specialize in end-to-end logistics solutions for Defence, Power Transformers, Hydro Projects, Oil & Gas, Energy, Infrastructure, Renewables, and Heavy Engineering industries. Our strength lies in handling over-dimensional, heavy, and project cargo, ensuring precision, safety, and timely execution at every stage. At Ashtam Global Logistics, we understand that project logistics demands meticulous planning, regulatory compliance, route surveys, and coordinated execution. We work closely with clients to design tailor-made logistics strategies that minimize risk, control costs, and meet strict project timelines. Driven by professionalism, transparency, and a customer-first approach, we aim to build long-term partnerships by consistently delivering dependable logistics support. As we grow, our focus remains on innovation, operational excellence, and becoming a trusted logistics partner for India's core and emerging industries. Ashtam Global Logistics

CEO & Founder

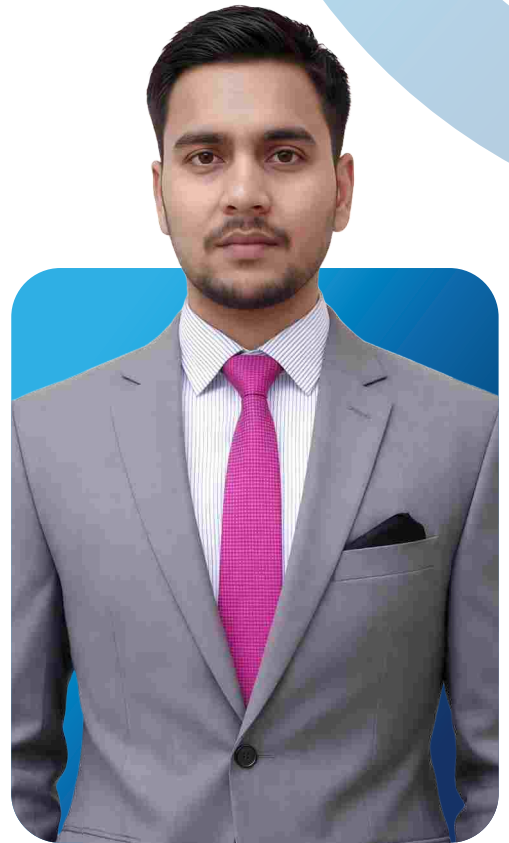

Naveen Panihar

Naveen Panihar is the Founder and Chief Executive Officer of **Ashtam Global Logistics Pvt. Ltd.**, a project-focused logistics company delivering integrated, technically driven transportation solutions across India and international markets. He holds a **Bachelor's degree in Tour & Travel Management (BTTM)** and brings over **14 years of extensive experience in project logistics**, supporting complex supply chains across sectors including power, infrastructure, heavy engineering, energy, and industrial projects. His expertise covers end-to-end logistics execution, including movement planning, regulatory coordination, fleet deployment, and risk-managed transportation. Naveen has successfully led logistics operations for a wide range of cargo profiles and vehicle capacities, from **1 MT to 240 MT**, enabling flexible, compliant, and schedule-driven solutions across light commercial, medium, and heavy-duty transportation requirements. His strong ground-level execution capability allows him to translate complex project requirements into **cost-efficient and operationally sound logistics strategies**. Early in his career, Naveen gained valuable **hands-on operations management experience**, working in fast-paced corporate environments where he was involved in day-to-day operational activities, cross-functional coordination, and workflow optimization. This foundation strengthened his skills in **process management, time optimization, and problem-solving**, shaping his practical and execution-oriented leadership approach. Through Ashtam Global Logistics, Naveen is focused on building a **scalable, process-driven organization** anchored in long-term client partnerships, operational excellence, and sustainable growth. His leadership philosophy emphasizes **reliability, transparency, safety, and value creation** for clients and stakeholders.

Co-Founder & COO

Rohit Kumar

Rohit Kumar is a dynamic logistics professional and Co-Founder of **Ashtam Global Logistics Pvt. Ltd.** He holds a **Bachelor of Science (B.Sc.)** from **Dr. Bhim Rao Ambedkar University**, Agra, and brings strong expertise in operations management and financial planning. With extensive hands-on experience in managing end-to-end logistics operations, Rohit plays a key role in driving **operational excellence and business growth**. His expertise includes **supply chain management, fleet operations, cost optimization, project logistics, and vendor coordination**. As the **Chief Operating Officer**, he has successfully streamlined operational processes, improved efficiency, and strengthened client service delivery. His strategic and **result-oriented approach** ensures smooth execution of logistics functions while maintaining cost-effectiveness and high service standards.

Key Responsibilities & Achievements

- Leading overall operations and business strategy
- Managing fleet operations and logistics execution
- Optimizing cost structures and improving efficiency
- Building and maintaining strong client and vendor relationships
- Driving operational scalability and performance improvement

Core Competencies

- Supply Chain Management
- Fleet Management
- Operations Strategy
- Cost Control & Financial Planning
- Vendor & Client Management
- Team Leadership & Coordination

As a Co-Founder, Rohit is committed to building a scalable, efficient, and technology-driven logistics ecosystem. His vision is to position Ashtam Global Logistics as a trusted and reliable partner in the logistics industry by delivering consistent value, innovation, and customer satisfaction.

Co-Founder & CFO

Sumit Sheoran

Sumit Sheoran is the **Co-Founder and Chief Financial Officer** of the company, bringing a strong foundation in **finance, operations, and strategic planning**. He has completed his graduation from **Maharshi Dayanand University (MDU)**, Rohtak, which laid the groundwork for his analytical and business-oriented approach to leadership with a clear vision of leveraging data-driven technology and actionable insights, Sumit plays a pivotal role in strengthening financial governance and operational efficiency across the organization. His focus is on supporting the transportation ecosystem by **optimizing costs, improving asset utilization**, and enhancing overall transportation productivity through structured financial planning and technology-enabled decision-making. **As CFO**, he is responsible for financial strategy, budgeting, compliance, risk management, and performance monitoring, ensuring sustainable growth and fiscal discipline. His strategic mindset and commitment to innovation contribute significantly to the company's mission of delivering **efficient, reliable, and scalable transportation solutions**.

HOD of operations

Vishal Kaushik

I am a graduate from **Maharshi Dayanand University (MDU)** with practical experience in operations management. I have worked with **Kandhari Global Beverages Pvt. Ltd.**, where I was involved in handling day-to-day operational activities, coordination between teams, and ensuring smooth workflow execution. This role helped me develop a strong understanding of **operational processes, time management, and problem-solving** in a fast-paced corporate environment. I am a motivated professional with a keen interest in operations and continuous improvement, always aiming to contribute positively to organizational growth.

Vision

To become a globally trusted logistics partner by delivering innovative, reliable, and future-ready supply chain solutions. ASTHAM Global Logistics envisions shaping the future of global trade through precision execution, advanced logistics planning, and sustainable practices that empower industries to move without limits. We aim to expand our global footprint while setting new benchmarks in project logistics, heavy cargo handling, and end-to-end supply chain excellence.

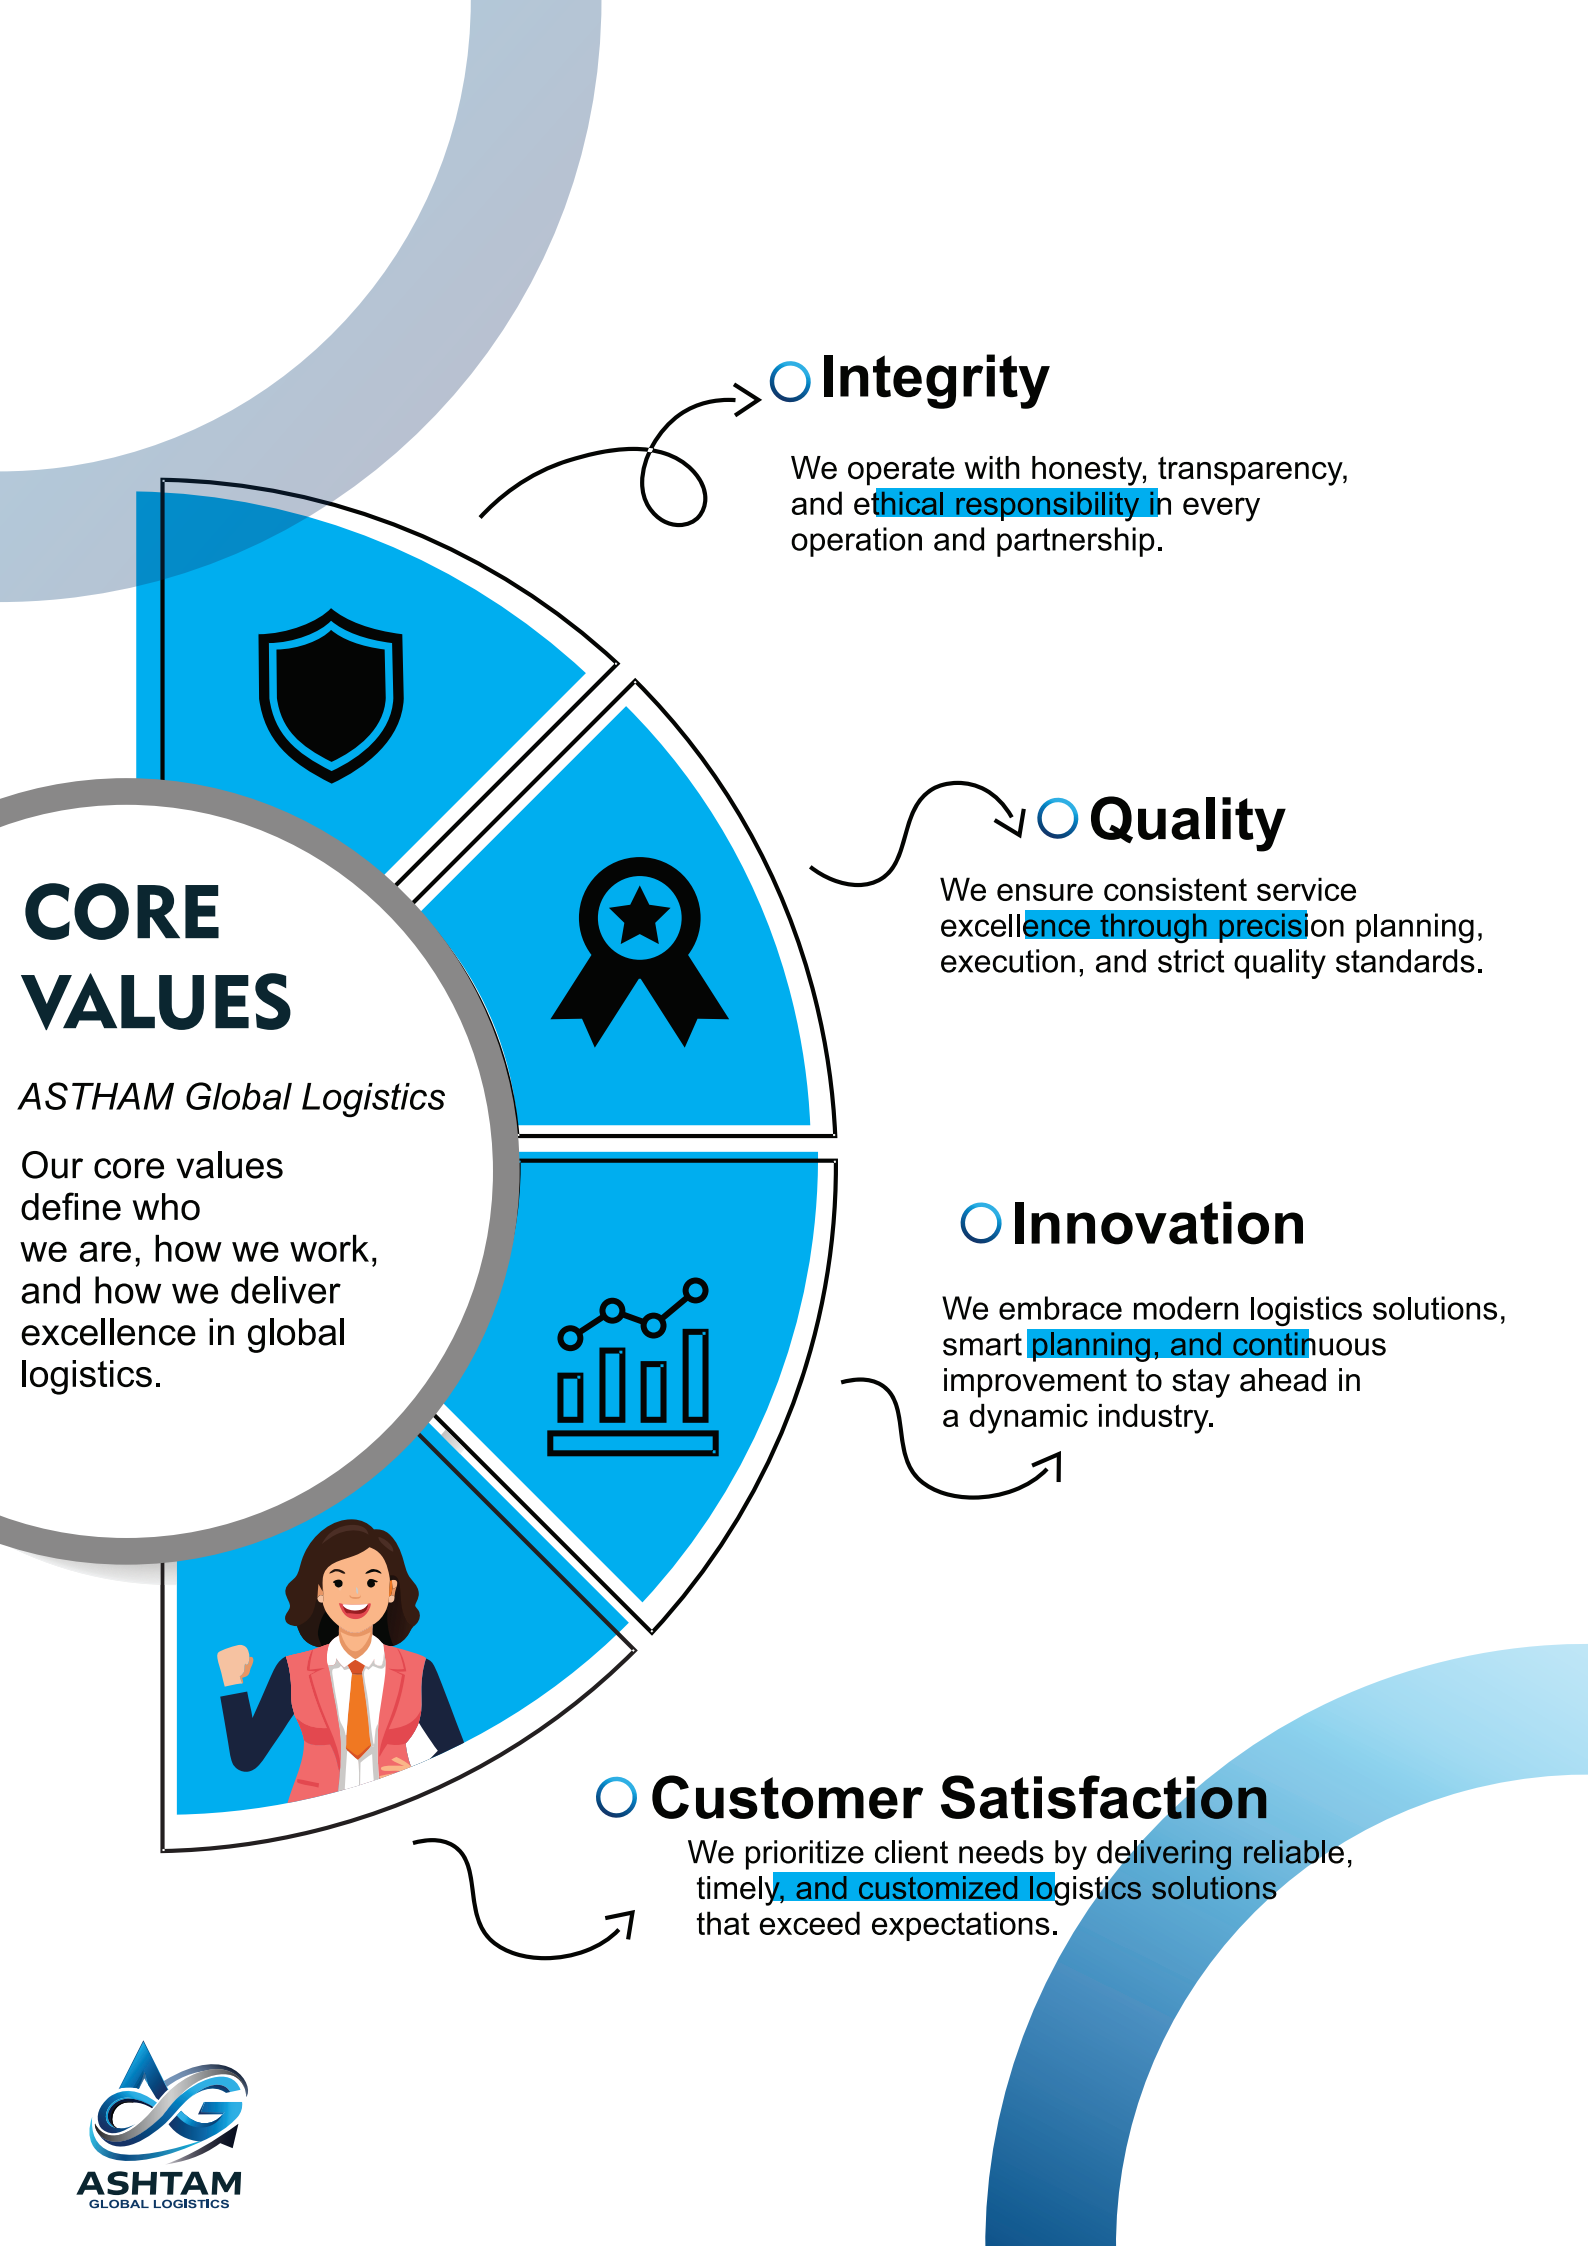

Mission

MISSION

Our mission is to provide safe, efficient, and customized logistics solutions that meet the complex demands of modern industries. We are committed to delivering operational excellence through experienced professionals, strategic planning, and strict adherence to quality, safety, and regulatory standards. By building strong partnerships with our clients, we strive to minimize risk, optimize costs, ensure timely delivery, and consistently exceed expectations through transparency, accountability, and innovation.

CORE VALUES

ASTHAM Global Logistics

Our core values define who we are, how we work, and how we deliver excellence in global logistics.

○ Integrity

We operate with honesty, transparency, and **ethical responsibility** in every operation and partnership.

○ Quality

We ensure consistent service excellence **through precision** planning, execution, and strict quality standards.

○ Innovation

We embrace modern logistics solutions, smart **planning, and continuous** improvement to stay ahead in a dynamic industry.

○ Customer Satisfaction

We prioritize client needs by delivering reliable, timely, **and customized** logistics solutions that exceed expectations.

WHY CHOOSE US

Your Trusted Global Logistics Partner

GLOBAL REACH

Extensive international network ensuring seamless worldwide shipping to any destination, connecting markets seamlessly.

RELIABLE & TIMELY

Consistent on-time delivery performance and predictable transit times, backed by advanced scheduling systems.

TECHNOLOGY DRIVEN

Leveraging cutting-edge technology and digital platforms for real-time tracking, transparency, and analytics.

EXPERIENCED TEAM

Decades of industry expertise and dedicated specialists committed to exceptional service and problem-solving.

WHY CHOOSE US

Your Trusted Global Logistics Partner

SECURE SOLUTIONS

State-of-the-art security protocols and comprehensive insurance options to protect your valuable cargo at every stage.

CUSTOMIZED STRATEGIES

Tailored logistics plans designed to meet your specific supply chain needs, optimizing efficiency and cost.

SUSTAINABLE PRACTICES

Committed to eco-friendly logistics solutions and reducing our carbon footprint through green initiatives.

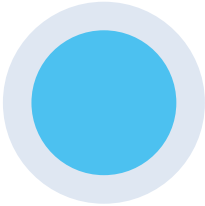

COST-EFFECTIVE VALUE

Competitive pricing and value-driven services without compromising on quality, delivering maximum ROI.

INFRASTRUCTURE / RESOURCES

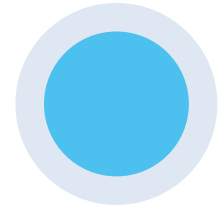

OFFICE

Ashtam Global Logistics Pvt. Ltd. operates from a strategically located corporate office in **Gurugram, Haryana**, enabling efficient coordination across key industrial and logistics corridors in India. Our office infrastructure is designed to support centralized planning, real-time operations monitoring, customer coordination, documentation control, and financial management. Dedicated teams for operations, project planning, accounts, and compliance ensure seamless execution and responsive client service.

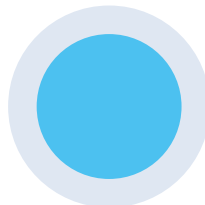

EQUIPMENT / TOOLS

Ashtam Global Logistics executes assignments through a combination of trusted partner fleets and **specialized equipment**, ensuring **flexibility** and **scalability** for diverse cargo requirements. Our operational capabilities include access to: **Multi-axle trucks, trailers, and hydraulic axles Flatbed, semi-bed, and low-bed trailers** Specialized equipment for **over-dimensional** and **heavy cargo (ODC)** **Lifting, lashing, and cargo-securing** tools as per safety standards Our equipment selection is aligned with cargo specifications, route conditions, and project timelines, ensuring safe handling, regulatory compliance, and on-time delivery.

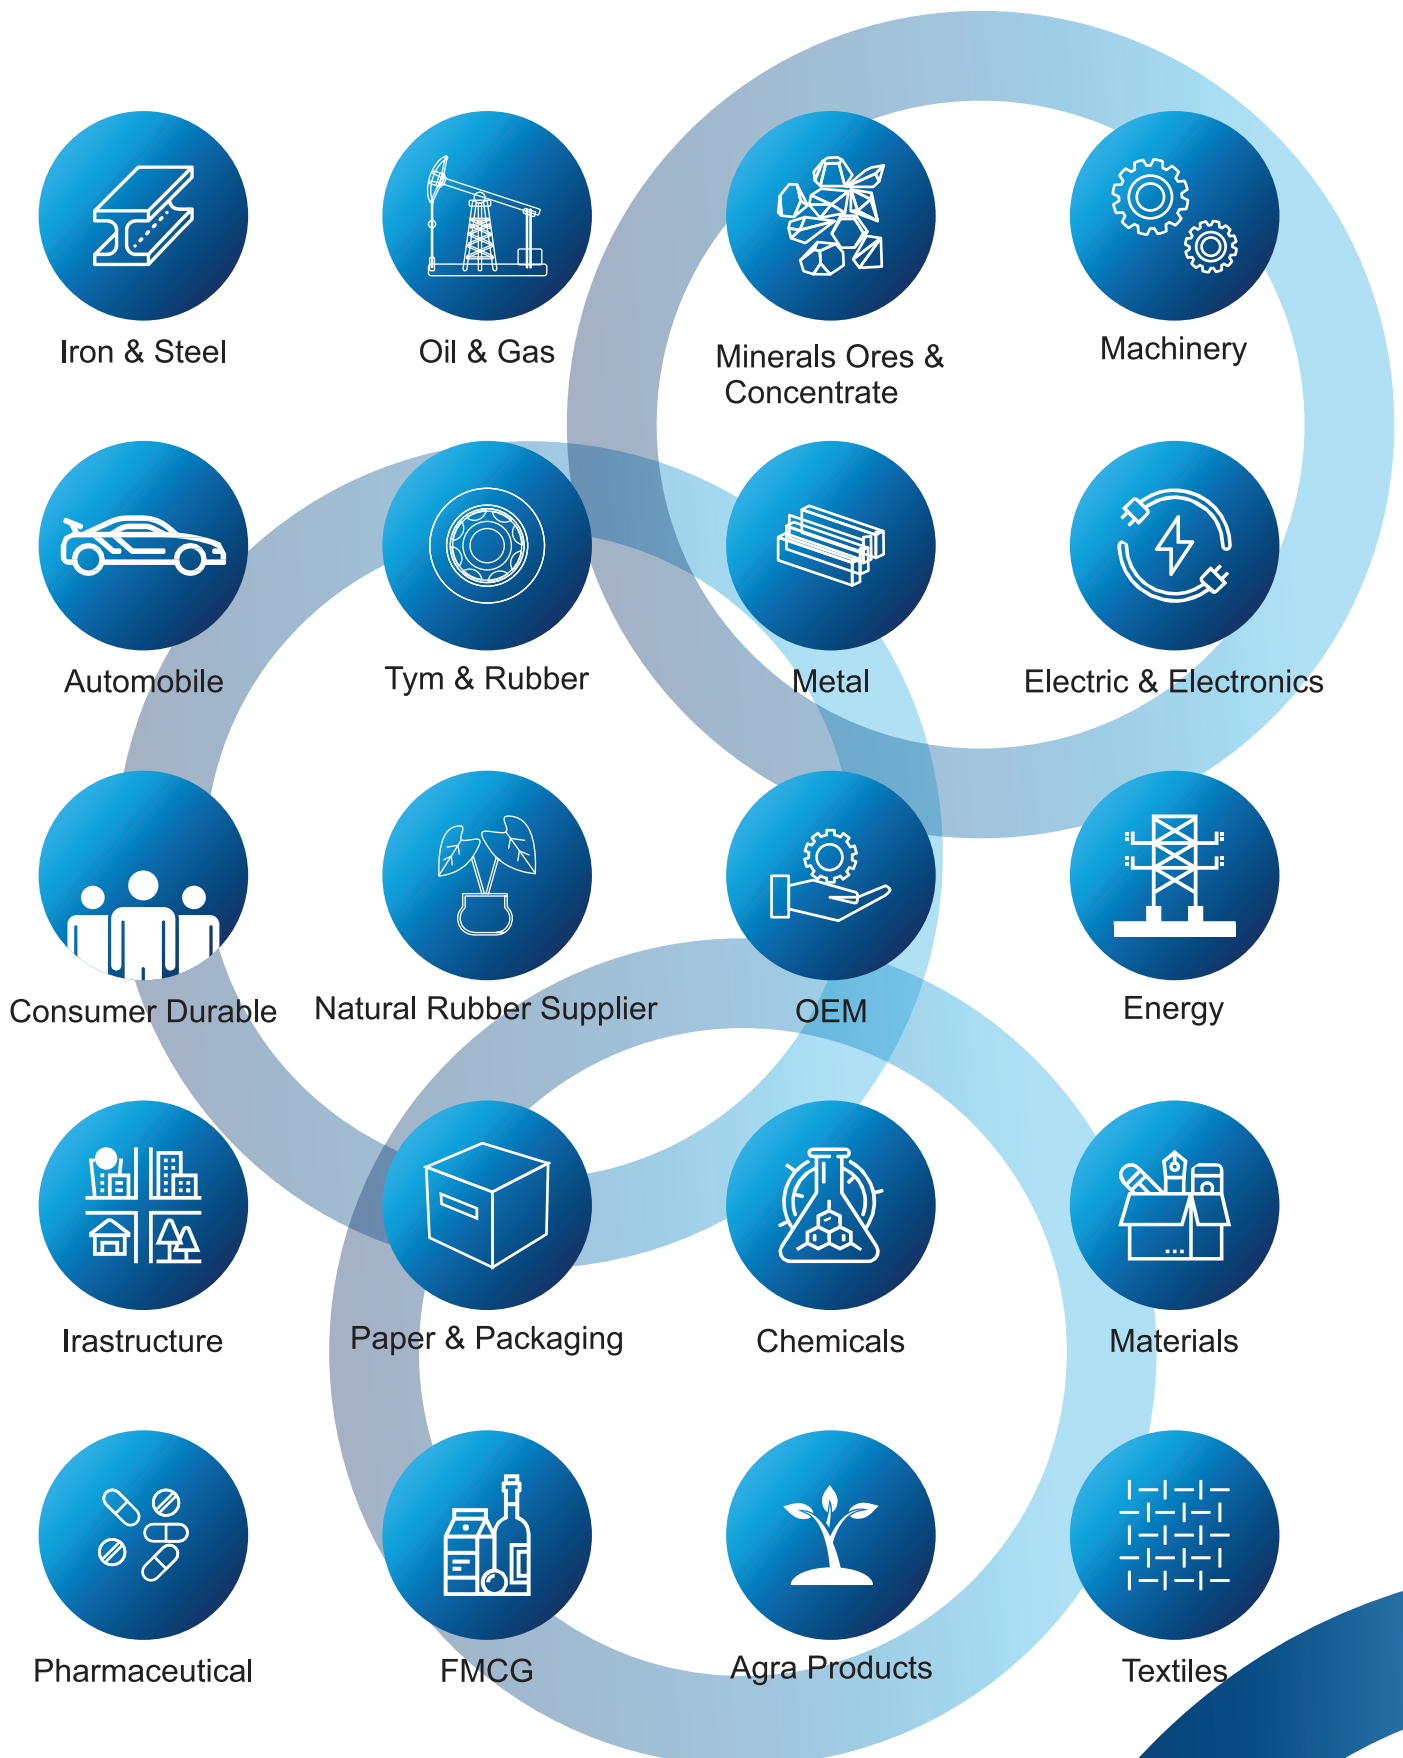

TECHNOLOGY

We leverage modern, data-driven technology to **enhance operational efficiency, visibility, and control across the logistics value chain**. Our systems support: Real-time vehicle tracking and movement monitoring Route planning and load optimization **Digital documentation, billing, and POD management Data analytics for cost control**, productivity improvement, and performance reporting These technology-enabled processes allow us to **deliver transparency**, reliability, and timely decision-making for our clients.

Industries Served

Our Clientele

Ashtam Global Logistics has had the opportunity to support reputed organizations across infrastructure, renewable energy, engineering, and manufacturing sectors. While respecting client confidentiality and branding policies, our experience includes working with established industry leaders and fast-growing enterprises.

Industries & Client Segments Served Include:

- Leading Infrastructure & EPC Organizations
- Renowned Renewable Energy Companies
- Established Steel & Manufacturing Units
- Growing Consumer & Industrial Product Brands

Our client engagements reflect our commitment to reliability, precision execution, and long-term partnerships.

Representative Client Experience

- Infrastructure & EPC Projects (e.g., Ashoka Buildcon Ltd.)
- Renewable Energy Sector (e.g., Suzlon Group)
- Engineering & Manufacturing (e.g., Triumph / Sareen Steels)
- Consumer Products & Materials (e.g., Riddhi Mattresses)

Services

Transformer Transportation Services

At Ashtam Global Logistics Pvt. Ltd.,

we deliver end-to-end logistics solutions for oversized and heavy power transformers, supporting EPC contractors, OEMs, and utilities across India with precision-driven execution.

Scope of Services

Detailed Route Survey & Feasibility Analysis Physical and GIS-based route surveys covering road geometry, gradients, turning radius, overhead clearances, bridges, culverts, ROBs, and utility crossings.

Axle Load & Transport Engineering

Axle load distribution, trailer configuration planning, load spreading calculations, and selection of hydraulic/modular axle systems in line with IRC & MoRTH norms.

Statutory Permissions & Regulatory Compliance

End-to-end coordination for RTO permits, police permissions, highway authorities, forest departments, DISCOMs, and local administrative bodies.

Movement Planning & Scheduling

Detailed movement methodology, risk assessment, contingency planning, and alignment with EPC project milestones.

Specialized Equipment Deployment

Deployment of heavy-duty hydraulic axle trailers, prime movers, pullers, pushers, and customized load handling arrangements as per transformer specifications.

Engineered Loading, Lashing & Securing

OEM-compliant loading methods, lashing design, load restraint systems, and vibration control for high-value transformers.

Escort & Traffic Management

Pilot vehicles, route marshals, police escorts, night-movement coordination, and controlled traffic diversion where required.

Utility Shifting & Route Preparation

Temporary shifting of overhead lines, signage removal, road strengthening, ramp creation, and bridge protection works.

Controlled Transit & Monitoring

Speed-controlled movement, real-time coordination, on-ground supervision, and daily progress reporting.

Last-Mile Delivery & Site Handling

Final approach planning, site entry management, unloading support, and placement at foundation or storage location.

HSE & Risk Management

Compliance with project HSE plans, toolbox talks, safety audits, emergency response planning, and zero-incident execution.

Contract Integrated Logistics Services

At **Ashtam Global Logistics Pvt. Ltd.**, we provide comprehensive contract-based, end-to-end integrated logistics solutions to multinational companies, **EPC contractors, and large industrial clients**, covering both **inbound and outbound** logistics operations. Our service framework is designed to support diverse cargo profiles and vehicle **capacities ranging from 1 MT to 40 MT**, ensuring flexibility across light commercial, medium, and **heavy-duty transportation requirements**. Solutions are custom-engineered to align with project workflows, production cycles, and supply chain objectives. Through long-term logistics contracts of up to two years, we ensure operational continuity, capacity assurance, cost optimization, and service consistency. Our contract logistics model enables clients to benefit from dedicated fleets, standardized operating procedures, performance monitoring, and a single-point coordination structure. With a strong focus on compliance, reliability, and process-driven execution, Ashtam Global Logistics **delivers sustainable, scalable, and value-driven logistics partnerships** that support long-term business growth.

General Logistics Services

At **Ashtam Global Logistics Pvt. Ltd.**, our General Logistics services are designed to efficiently manage **urgent, short-notice, and just-in-time (JIT) cargo** movements that fall outside **long-term or contract-based** logistics agreements. We specialize in handling : Spot and urgent transportation **requirements Just-in-time (JIT) deliveries to plants, warehouses, and project sites** Inbound and outbound movements for **industrial and commercial cargo Full Truck Load (FTL) and Part Load (PTL) shipments Time-critical and high-priority consignments** Movements across **pan-India locations**, including **remote and constrained areas** Supported by a reliable fleet network and **experienced operations team**, we ensure quick mobilization, **route optimization, real-time coordination, and safe delivery while maintaining compliance** with statutory and safety standards. Our flexible operating model enables clients to respond swiftly to dynamic supply chain **demands without compromising on reliability** or service quality.

International Logistics Services

International Logistics is the latest addition to **Ashtam Global Logistics Pvt. Ltd.**'s expanding service portfolio. Building on our strong **domestic capabilities**, we have **extended our expertise into global supply chain** and **international freight** solutions, delivering seamless end-to-end logistics services across international markets. Our comprehensive service offerings include **Ocean Freight, Air Freight, ODC Road Movement, Warehousing & Distribution, and Customs Clearance**, enabling complete control across the logistics lifecycle. We manage complex international movements with a focus on regulatory compliance, **cost efficiency**, **transit optimization**, and **schedule adherence**. Through a network of trusted global partners and process-driven execution, we ensure reliable, secure, and time-bound deliveries for industrial, project, and commercial **cargo worldwide**.

○ Pan-India Domestic Logistics Operations

Safe and efficient movement of heavy and project cargo across India's major industrial corridors

○ Project Cargo & Heavy Transportation

Specialized handling of over-dimensional and heavy cargo across India.

Why Clients Trust Us

- Reliable domestic operations
- Experienced project handling
- Transparent communication
- Customer-focused execution
